PETITION TO WITHDRAW HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE OFFICE ACTION

Dear Sir:

The above-identified application is abandoned in view of Applicants' failure to timely respond to a Final Office Action mailed on August 29, 2006, with a three month reply set.

Applicant respectfully petitions the Office to withdraw the holding of abandonment based on the fact that the a Final Office Action, dated August 29, 2006, was not received in our office until a Notice of Abandonment was mailed to us on April 26, 2007. The undersigned, hereby attests to the fact that a search of the file jacket and docket records indicates that the Final Office Action, mailed on August 29, 2006, was not received. However, the Office communication of Notice of Abandonment was received on April 26, 2007. Please see attached Appendix A. A copy of the docket record reveals that the Final Office Action was neither received nor entered in the docket. The attached entries on the report ranging from August 29, 2006 to September 29, 2006 reveal that no Final Office Action was received or entered into the docketing log book as

having been received. It is noted that Appendix A represents a copy of the docket records where the non-received Final Office Action would have been entered and docketed as received had it been so.

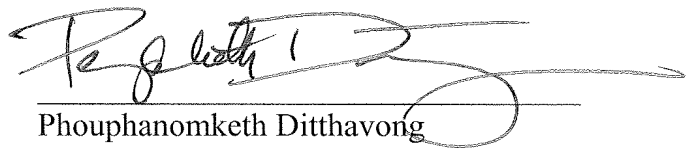

Additionally, a copy of the Declaration as filed (Appendix B) and a copy of the Correspondence Address and Attorney/Agent of record as listed in PAIR (Appendix C) are attached. In reviewing the PTO records as attached, it was discovered that a Mr. John Ritter, having a correspondence address in Princeton, New Jersey, is erroneously listed as the sole attorney/agent associated with the above-referenced application. As shown in the Declaration as filed, no such individual is appointed as an attorney/agent in this application and instead several individuals are appointed as attorney/agent who are not presently listed in the PTO records. It is believed that the Final Office Action, dated August 29, 2006, may have been erroneously mailed to the Princeton, New Jersey address associated with the incorrectly listed attorney/agent John Ritter, rather than to the correctly listed correspondence address for this application.

It is respectfully requested that the Holding of Abandonment be rescinded and the application returned to pending status.

Respectfully Submitted,

DITTHAVONG MORI & STEINER, P.C.

DECLARATION AND POWER OF ATTORNEY FOR UTILITY PATENT APPLICATION

As a below named inventor, I hereby declare that:

My residence, mailing address and citizenship are as stated below next to my name,

I believe I am the original, first and sole inventor (if only one name is listed below) or an original first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

Queuing Closed Loop Congestion Mechanism

the specification of which

- ☒ is attached hereto
☐ was filed on _____ as United States Application Number or PCT International Application Number
and was amended on _____

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR § 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national application or PCT international filing date of the continuation-in-part application.

I hereby claim foreign priority benefits under 35 U.S.C. § 119 (a)-(d) or § 365(b) of any foreign application(s) for patent or inventor's certificate, or § 365(a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below, by checking the box, any foreign application for patent or inventor's certificate, or any PCT international application having a filing date before that of the application on which priority is claimed.
